

# Wickhambrook School

## Recycling schemes

Wickhambrook School is currently participating in 3 recycling schemes. These are all items that cannot currently be recycled via your blue bin collections and would normally go into landfill. We send these items off to a company that we have registered with who recycle them. The pens and biscuit wrappers are shredded, turned into pellets or flakes and made into, for example, outdoor furniture, benches, playground surface coverings, containers and much more.

### Writing Instruments

- 1** Any brand of pen, highlighter, marker pen, whiteboard marker, felt tip pen, gel pen, sharpies etc (NOT PENCILS)

- 2** Biscuit wrappers/packets

Any brand of biscuit/cracker wrapper or packet; from individual biscuits or from family packets.

- 3** Batteries

Any brand of battery
